The address of the U of I is: 2 Gilmore Hall, Iowa City, Iowa 52242-1320.

**2.0 DURATION OF AGREEMENT**

The term of this Agreement shall be July 1, 2002 through June 30, 2003, unless terminated earlier in accordance with Section 7 of this Agreement.

**3.0 PURPOSE**

The purpose of this Agreement is to prevent a portion of premature births and the short and long term morbidity and mortality attendant thereto by the identification of potentially correctable factors through a comprehensive physical, radiographic and cervical evaluation carried out following early preterm birth (less than 35 weeks gestation) or late spontaneous abortion (second trimester).

A woman who delivers prematurely has been found in various studies to have a risk of 15-30 percent of preterm birth in a subsequent pregnancy, a rate three to six times that of the general population. Despite this association, few women who deliver prematurely are comprehensively evaluated to identify factors, which may decrease this risk in a subsequent pregnancy.
